Calendar October

5 Glider
7 Indoor flying @ Arena
12 Vintage
19 Scale
23 club night
26 sport

A few weeks ago a sheep managed to walk across the runway at spur road leaving holes, mainly due to the electric fence being loose and turned off. Please be aware of the fence standards and that the power is on when leaving the field

A link to Alan Tongs web page, a massive list of links to websites covering every aspect of aeromodelling. From airbrushing, soldering, battery care, engines and aircraft finishing to name a few. <http://homepages.ihug.co.nz/~atong/>
